

REQUEST FOR PROPOSALS

Water PNG Ltd is a State Owned Enterprise responsible for the provision and sale of potable water supply and sewerage services throughout the country. It is currently operational in fourteen (14) provincial towns and eight (8) district centers throughout PNG.

Under the GoPNG's PIP Program; *Provincial and District Water Supply Program*, Tari Township, located in Hela Province, has been identified and earmarked for development of a water supply system.

Water PNG Ltd now invites proposals from suitably qualified companies to carry out Hydrogeological and Geophysical Investigations to confirm potential sites within Tari Town Boundary for the development of ground water resource(s) and undertake bore drilling at these sites.
